www.psmedsupply.com

Since its inception, Premiers Secours has been characterized by intentional growth, well-planned acquisitions, and strategic alliances with Sterling Medical and Blue Box Medical, expanding our reach to serve Central Sterile Processing Departments (CSPD) and Operating Rooms (OR).

Single Use Sterile Instruments

"From Packaging to EO Sterilization, We've Got You Covered – Proudly Done in the USA!" 

Streamline Your CSPD with Expert EO Sterilization Services

Simplify your workflow by outsourcing small-volume or custom medical device packaging and sterilization to experts. Our kits are packaged and sterilized right here in the USA, ensuring precision, quality, and compliance with FDA and ISO standards. Specializing in ethylene oxide (EO) sterilization, we handle delicate instruments and custom-designed kits with care, guaranteeing sterility and safety so your team can focus on delivering exceptional patient care.

Cost-Effective, Reliable, and Proudly Made in the USA

Save time, reduce costs, and free up resources in your CSPD by partnering with a trusted U.S.-based provider. Our EO sterilization services are ideal for custom or low-volume devices, offering quick turnaround times and rigorous quality assurance. With our ready-to-use, sterile kits tailored to your specifications, you'll benefit from enhanced efficiency, compliance, and patient safety—all while supporting a dependable, American-made service.

- ▶ **FDA and ISO Compliant:** All kits are packaged and sterilized in the USA, adhering to FDA and ISO standards for guaranteed quality and safety.
- ▶ **Specialized EO Sterilization:** Expertise in ethylene oxide (EO) sterilization ensures precise handling and sterility for delicate and custom devices.
- ▶ **Custom-Tailored Kits:** Receive packaging solutions designed specifically for your small-volume or unique medical devices, ready for immediate use.
- ▶ **Cost-Effective Solutions:** Reduce equipment and labor costs while eliminating the burden of in-house sterilization for specialized needs.
- ▶ **Quick Turnaround Times:** Ensure your kits are sterilized and delivered promptly, minimizing downtime in the operating room.
- ▶ **Trusted U.S.-Based Provider:** Partner with a reliable team located in the USA for superior quality assurance and responsive service.

"Proudly Packaged and Sterilized In the USA" 

Single Use Sterile Instruments

- STERILE RIGHT OUT OF THE PACKAGE
- FRACTION OF COST OF REUSABLE INSTRUMENTS
- REDUCE HAI'S AND CROSS CONTAMINATION
- SAVES LABOR COSTS BY ELIMINATING COSTLY CLEANING, PROCESSING AND STERILIZATION
- COMBINES HIGH QUALITY WITH LOW COST
- FACTORY IS FDA APPROVED AND CGMP COMPLIANT
